Friends of the Scituate Town Library

Yes, I want to be a friend

The Friends of the Scituate Town Library, a volunteer, non-profit organization, advocates a strong public library system and actively supports the Scituate Town Library. The Friends group strongly believes that libraries are our windows to the world and that libraries need all the attention and support that we can give.

While we eagerly await the completion of the new library facility, we need your membership support now more than ever. The Friends group is currently unable to have its used book sales to garner revenue, so member contributions are essential. Please join the Friends of the Scituate Town Library during this critical time. When the new facility opens, we look forward to serving the town with a used book store.

What the Friends do with your generous contributions....

- ✿ The Friends purchase passes to the Boston Children's Museum, Franklin Park/Stone Zoos, Institute of Contemporary Art, Isabella Stewart Gardner Museum, Museum of Fine Arts, Museum of Science, Mystic Aquarium, New England Aquarium, Peabody Essex Museum, Plimoth Plantation, South Shore Children's Museum, and the USS Constitution. The passes make visits to these places of interest affordable for a minimal fee to library patrons.
- ✿ The Friends sponsor numerous library activities. This year, funds from the Friends helped facilitate concerts, book groups, author appearances, the town-wide reading program, the summer reading program, the purchase of doll houses for the Children's Room, and a variety of important events supporting literacy for children.
- ✿ 100% of money received goes directly into supporting the library.
