

The Friends of the Scituate Town Library is a volunteer, non-profit organization, advocating a strong public library system and actively supporting the Scituate Town Library. The Friends believe strongly that libraries are our windows to the world and need all the attention and support we can give.

The Friends raise money through donations and the sale of used books. These funds are used solely to support the Scituate Town Library.

We provide the library with books, CDs, DVDs, summer reading paperbacks, as well as funds for concerts, author appearances, children's room toys, adult & children's programs, and the the Museum Pass Program.

Our latest project is the **Used Book Store** staffed by volunteers from The Friends. Donations of clean, gently used books, DVDs and CDs are welcomed during Library hours. But please, **no text books or magazines.**
