Getting Started

1. Get the app

Visit your app store and search for "OCLN meeScan" self-checkout app.

Download and open the app on your device.

Allow OCLN meeScan to access your camera, location and to send you notifications.

2. Log in

Touch "START" at the welcome screen.

First time around, you'll be asked to enter your Library Card Number and PIN. To scan your card click on the camera icon.

3. Check out items

In the checkout screen, use the "+" button to scan library items.

Your app will automatically show checked-out items.

When you are done scanning all your items, touch the "FINISH" button to get an email receipt.

Useful hints for easy scanning

Fit the entire barcode in the viewfinder.

Hold phone about 6" away from barcode.

Hold the phone steady.

Give the camera time to focus.

Tilt the phone to avoid glare on barcode.
